In re: WSVB-LP, Chiefland, FL
Facility ID No. 134859
Operational Status Inquiry

Dear Licensee:

A recent inquiry to our office suggested that station WSVB-LP, Chiefland, Florida, is currently silent. Since our records do not reveal any notification, pursuant to 47 C.F.R. Section 73.1740, that the station suspended operations, you are required to clarify this matter in writing within thirty days of the date of this letter.

The Commission's Rules, 47 C.F.R. Section 73.1740(a)(4), permit licensees to discontinue operations for good cause and for a period not to exceed 30 days without further authority, provided that the licensee notify the Commission by letter "not later than the 10th day of limited or discontinued operations."

If station WSVB-LP suspended operations, please indicate both the date broadcasts ceased and the necessity for taking the station off-air. Please note that any station silence over thirty days requires the filing, pursuant to 47 C.F.R. Section 73.1635, of a request for Special Temporary Authority to operate at variance with the Commission's minimum operating schedule requirements, 47 C.F.R. Section 73.1740(a). Certification pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988 must accompany any request for special temporary authority. Finally, we note that it is imperative to the safety of air navigation that any prescribed painting and illumination of the station's tower shall be maintained. See 47 C.F.R. Sections 17.6 and 73.1740(a)(4).

Failure to respond to this letter within the specified time will result in adverse actions jeopardizing both the station's license and call letters. If you have any questions

concerning the content of this letter, please contact Denise Williams, Communications Analyst, by phone (202-418-2711), fax (202-418-1410), or e-mail (Denise.Williams@fcc.gov).

Sincerely,
